

Chapter 21 Vocabulary Review

THE CHURCH IN THE UNITED STATES

With your book closed, identify the vocabulary term for each description.

1. _____:
A sister organization to the NCCB created to collaborate with priests, religious, and laity in a number of fields.
2. _____:
Condemned by Pope Leo XIII, this movement sought a way to adapt the Catholic Faith within American principles and modern ideas.
3. _____:
Single structure that replaced the NCCB and USCC in 1991.
4. _____:
Partly to conform to American civil law, partly out of enthusiasm for democracy, and partly in imitation of the congregational system in American Protestantism, laymen became the owners of parish property, administered parish affairs, and in some places, began hiring their own pastors in defiance of the bishop.
5. _____:
The bishops' vehicle in the early- and mid-twentieth century for cooperative national-level action in social action, education and youth work, communication and other fields.
6. _____:
Passed in 1774 by the British Parliament, it extended political and legal concessions to the inhabitants of Quebec and granted them religious freedom.
7. _____:
Responding to a Vatican II mandate, the bishops organized themselves as an episcopal conference replacing the old, more loosely structured NCWC.
